PRESS RELEASE

COUNTRY LOG CABINS RELEASES STUNNING BROCHURE & INTERACTIVE WEBSITE

For immediate release – Lewisburg, PA: After more than a year of research and planning, Country Log Cabins (CLC), a division of Kuhns Bros. Log Homes, is ecstatic to announce the release of their new literature and state-of-the-art interactive design website. The 34-page portfolio is filled with stunning full-color professional photography and comprehensive information about the company's products, services, complete log home packages, sustainable building processes and so much more. Access to the CLC exclusive web-based interactive design program is included with the purchase of the portfolio. Through revolutionary technology, the interactive website allows users to design their own Country Log Cabin using a base model from CLC's Destinations Designs series. These unique designs are quickly and easily accessible through this program; other features include limitless design variations and spectacular 360 degree interior and exterior virtual tours of the most popular Destination Designs. The web-based application also allows users to view different variations of window schematics, roof styles, additions, decks plus more.

About Country Log Cabins and Kuhns Bros. Log Homes:

The product of three generations of one family's commitment to the log home industry, Country Log Cabins was born to continue the Kuhns family's same proud heritage, offering an affordable log home for cost-conscious consumers without sacrificing integrity, quality, value and service. Kuhns Bros. Log Homes, Inc. remains a leading manufacturer in the log home industry. The company has been manufacturing kiln-dried log homes for nearly 25 years, annually delivering hundreds of homes across the country and abroad.
