PRESS RELEASE

Kuhns Bros. Log Homes Earns Industry Honors

Lewisburg, PA – For Immediate Release:

The National Association of Home Builders (NAHB) and *Log Homes Illustrated* magazine both recently honored Kuhns Bros. Log Homes for their innovative home designs.

At the 2007 NAHB Annual Showcase event held in Hilton Head, SC, Kuhns Bros. was presented with the “Excellence in Marketing” award for the “Presentation of Log Home Plans” category. The award was given for the new Country Log Cabin (Division of Kuhns Bros. Log Homes) brochure and Destination Design interactive web-application.

In addition, *Log Homes Illustrated*, recently published a new log home resource entitled “100 Best Log Home Floor Plans” and Kuhns Bros. had six designs selected, including the cover image for the book. “When we reviewed the many floor plans submitted, we were looking for innovation and presentation,” says Roland Sweet, Editor of *Log Homes Illustrated* magazine, “Kuhns Bros. plans were a natural fit with their photo realistic presentations and robust custom features.”
